As always, this year's tournament proved to be a challenging competition that came down to the wire as the sun was setting on the 18th green. Ultimately it was Bryson DeChambeau (-11) who emerged as champion as he edged out Lee Westwood by one stroke to win. Bryson made headlines earlier in the week by driving the par 5 hole #6 across the lake but it was his all-around game that earned him the win. Bryson's final round 71 was one of only three under par rounds on the day. The win marks the eighth victory of his career on the PGA TOUR and his first at Bay Hill.

Michael Robichaud, Senior VP Global Sponsorships Mastercard (L) and Tournament Director, Joie Chitwood (R) stand ready to present the trophy to the newest champion of the Arnold Palmer Invitational presented by Mastercard, Bryson DeChambeau.

Amy Palmer Saunders embraces Bryson DeChambeau moments after his receiving the champion's trophy and signature red cardigan.

Sam Saunders congratulates long time friend and fellow PGA TOUR competitor on his victory at Bay Hill.

ZACH'S SPIN

By Zach Ganger

The Bay Hill Tennis Staff would like to congratulate **Bryson DeChambeau** for winning the Arnold Palmer Invitational presented by Mastercard. With the tournament behind us, we are very excited to get our 2 clay courts back and have them "like new." Thank you all for being patient and understanding during this time.

We are coming to the end of our 2020/2021 team seasons. There is a lot that goes into managing a team and I would like to thank all of our captains and co captains for stepping up and taking the reins of their teams. Their role as team leaders may be challenging at times, but I appreciate everything they do for their teams and for Bay Hill. Thank you to this season's captains and co-captains:

A – **Carole Hingtgen** (capt) and **Annie Candela** (co-capt)

B – **Nancy Wheeler** (capt) and **Toni Birkenmaier** (co-capt)

Classic – **Jean Florell** (capt) and **Jane South** (co-capt)

USTA – **Natalie Beavers** (capt)

THANK YOU Todd Harris for 50 years!

Todd is a world class guy on and off the court and I appreciate everything he has helped me with over the years. Todd is a true gentleman and one heck of a tennis coach, who knows the dynamics of the sport we all love. It has been an honor and a privilege to work alongside Todd and I wish him the best!

Ladies' B-Team 1992

In addition to tennis, Todd has always had a lifelong passion for fishing (pictured here on Sanibel with the subject of his favorite fishing story.)

THANK YOU, TODD HARRIS

It is with a heavy heart, the fondest of memories and an immense amount of pride that the Bay Hill Club announces the retirement of one our most tenured employees, Mr. Todd Harris.

Todd has been with the Bay Hill Club and Lodge for a remarkable 50 years. He has been a staple in the Tennis department and has been instrumental in the growth of the sport within our community for five decades.

Please join us in congratulating Todd and wishing him well as he embarks on the next chapter of his life, knowing that he will always be a part of the Bay Hill family.

Todd, employees like you are extremely rare. Please know that we will always remember your dedication, hard work and character. Thank you for 50 wonderful years.

Junior Golf

PGA JUNIOR LEAGUE

Arnie's Aces will participate in this summer's Junior League Season which will start in June and end August. This will include Practice held on Thursdays and matches on Saturdays. We will have home and away matches between Bella Collina Golf Club, Country Club of Orlando, and Orange Tree Golf Club who will be participating as well. Based on the number of sign ups, Bay Hill will plan to have 2 teams capped at 9 players per team. Dates for future practices and matches will be emailed in advance. Registration will be \$225 and an additional \$75 for team jerseys/kits.

JUNIOR SUMMER CAMPS

June 1-4 | July 6-9 | August 3-6

Camps will be held Tuesday through Friday from 9am-2pm.

Enrollment is open to golf members' children & grandchildren ages 6-16. The cost is \$300 + tax, per child, per week, which includes instruction, lunch, and rental clubs if needed. The maximum class size is 24 students with a 6:1 student:instructor ratio.

OPERATION 36

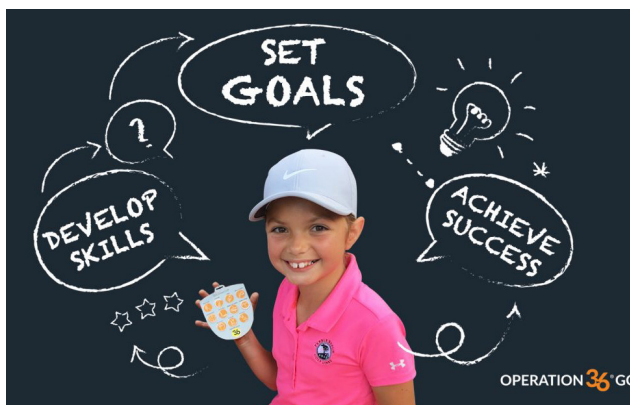

New! Bay Hill will be introducing the Operation 36 Junior Program. This is an 8-week program which will start May and end in June and consists of practice on Wednesdays and a 9 Hole round on Fridays. The program is \$340 and an additional one-time fee of \$50 for a starter kit.

The goal of Operation 36 is to give golfers a fun and motivating roadmap and an overall progression to their game. This will eventually lead them to scoring par 36 for 9 holes. We highly recommend that you visit the following link for more information on the curriculum. <https://operation36.golf/the-curriculum/>

We will be capping the first program at 12 students. Those that are put on the waitlist will be put into the second program (July-August).

For additional information about any of our junior golf programs or assistance with registration, please contact the Golf Shop at (407) 876-8030 or email Matthew Chen at matthew.r.chen@pga.com.

9-HOLERS NEWS

By Emily Bessette

It's been an exciting New Year starting with two fun and challenging events. The Presidents Cup, a two day event, was played mid January. The 2021 champion, **Nicole Smith**, placed first with the best low net score, **Teri Zayas** placed second and **Ede Nault** is the third place winner. Great playing ladies!

The annual Member-Member scramble was held on January 26th with the theme 'Fore' the Love of Golf. Following the scramble, lunch was enjoyed on the patio. Lunch featured one of Mr. Palmer's favorites, chicken pot pie. Some of his rewarding words about his love of golf and family were read by **Joan Hutton**. Many thanks to everyone who assisted including chairwomen, **Denise Martin** and **Emily Bessette**, for coordinating the lovely event. Congratulations to all the winners!

The last event before the big tournament was the February Sunday Funday Scramble. Congratulations to our 1st place winners, **Heather and Pete Doyle** and **Veronica and Wesley Woodyard**.

Finally, we are grateful to our friends at Country Club of Orlando for inviting us for a fun scramble while our Charger was closed. Congratulations to **Laura Kemsley** and **Becky Simmons** for taking 1st place with their CCO partners.

President's Cup: Teri Zayas 2nd; Nicole Smith, Winner; Ede Nault 3rd

Member-Members Winners: Dawn Prinsell & Laura Kemsley

The beginning of the new year found us replacing our normal January Guest Day with a members-only format to continue to adhere to COVID-19 guidelines. January "Not-A-Guest Day" winners were **Ricki Longenecker**, **Cynthia Giamalva**, **Linda Cardilli** and **Kathy Shepperly**. Second place honors went to **Pam DuPont**, **Mary Reynolds**, **Dana Burch** and **Janet Thompson**. Following in third place were **Teri Zayas**, **Julie Sprowls**, **Debbie Carswell** and **Liz Martin**. Special thanks to **Beth Bagwell**, our chairwoman, for preparing all the cold weather gift bags.

The Member Member Championship, with its rotation of scramble/best ball/alternate shot formats over three days, always makes us play hard. Congratulations to winners **Marci Zweifel** and **Janet Thompson**! Second place net went to **Nicole Smith** and **Susie Keane**, followed by third place winners **Leigh Anne Creavy** and **Devin Jaet**. Congrats to everyone!

Mixed Golf on February 14th started out as a fun way to enjoy Valentine's Day but was unfortunately declared a rain out soon after teeing off.

KEEPIN' IT GREEN

by Chris Flynn

Another API is in the books and I could not be more proud of my team. I honestly feel that over the winter months leading into tournament we had the best turf conditions since I have been here. So many factors play into that but without a doubt – the commitment and hard work by my staff is the driving factor.

This past year has certainly provided us all with many unique challenges. In preparing for the Arnold Palmer Invitational, the effects of COVID made a big impact on our ability to attract volunteers. We typically cap the number at 25 people but this year it was a struggle to find 8. These dedicated individuals usually consist of assistant superintendents from other properties and students studying to enter this field. They come due to their dedication to our profession and the ability to gain valuable PGA Tournament experience. This is a big commitment given they must work Sunday to Sunday where each day is a split shift working 4am to 9am and 3pm to 8pm. The decrease in volunteers coupled with a smaller staff (had several openings) really forced us to rethink how we typically prepare the course during tournament week. Having fewer people did not mean we could do less work. We were forced to find ways to be more efficient with the bodies we had. Needless to say, it was quite the streamlined operation that required a bit more effort and some creative thinking. In the end I believed we pulled it off quite well.

The condition of the golf course was right where we wanted it going into tournament week. We received about a ¼” of rain early Wednesday morning that was not entirely welcome. A little bit of rain was ok given how dry we had been but that was a bit much where it softened the greens more than we would have liked. Also, the forecast at the time indicated the potential of substantial rain come Saturday. Luckily, we were able to dry down enough to provide firm conditions for Round 1 & 2. Saturday saw a large threat of rain and the radar did not look good that morning, but somehow we were spared when most of the rain basically split as it moved toward us missing us to the north and south. As one of our volunteers said, Mr. Palmer had his umbrella out.

For all 4 rounds we averaged green speeds of 13.5 ft. However, our firmness readings increased each day where on Sunday we were able to get readings that matched last year (our highest ever). Green speed and green firmness are not one in the same but obviously correlate. Green firmness is something that we have only been able to precisely measure in the past couple of years. Before that it was all based on “feel”. But now by using both a moisture

meter and a firmness meter we can monitor it to make the proper agronomic decisions. Given the decreased number of spectators, a smaller tournament build, and good weather we came out in the back side in very good condition.

With the return of golfers to the course, we continue to find ways to best manage the course and improve course conditions. As this relates to golf cart traffic control – we will be implementing the “Gate” system year-round. This is where we identify where you exit the cart path after leaving the tee. In the past we used countless sections of ropes/stakes and signage to steer you where we want you to go. This is both time consuming and costly to maintain plus it takes away from the aesthetics of the golf course. Instead, we want to try what we have been doing the past couple of years for those that required special access while we are cart path only leading into API. By using white stakes with a blue top, we identify where we want you to exit the cart path after leaving the tee complex. Each day, we can then move the stake based on traffic stress to maintain turf health.

As always, please do not hesitate to contact me or flag me down out on the course with any concerns or suggestions. Til then – Hit 'Em Straight!
