NEWS FROM *Don*

It is amazing how quickly time passes when you are having fun, and the Bay Hill Club is becoming the center for fun in Orlando.

Record numbers of Members have been coming to the Club to participate in a summer filled with activities and events for all ages. And just because August and September are rolling around does not mean that the fun will stop.

We continue to upgrade and rebrand our pool and pool café, now known as Splash. A new menu, new wood enhancements, new linen, new plates, and succulents on the tables are just the start to the renovations that are occurring. A big thank you for Hospitality Ambassador Sharon Nina for all of her hard work on this project.

Have you seen the great new short game golf learning center or our driving range? The team at Arnold Palmer Design Company (www.arnoldpalmerdesign.com) has done an amazing job of putting Bay Hill back in the center of golf! We appreciate their artistic contribution to making practicing golf fun at Bay Hill.

Thinking more of a small bite, drink or a wonderful meal? New menus at the Bay Window and a new culinary attitude honoring our past (Palmer Family Favorites anyone?), while carefully moving towards a creative culinary future, can be found on the new menu. Come and enjoy.

If you are caught up in all of the excitement and proud of your Club, feel free to introduce your non-member friends and family to the Bay Hill Club experience by reaching out to Carole Lasky clasky@bayhill.com. Fun is contagious and should be shared!

Keep your eyes open for a save the date card to be sent in September announcing THE MAIN EVENT, Saturday February 16th, 2019 at the Club. This is something that you will not want to miss. Guests are welcome and we will start taking reservations as of October 1st. Ask any team member for more information about this special event that Bay Hill is hosting!

TODD'S TIP OF THE MONTH

If hitting a big overhead or volley from your service line, aim to hit your shot over your opponent's service line. By giving yourself a target above the net, instead of through the net, you will help keep the balls from going into the net.

TENNIS ETIQUETTE:

On a changeover in doubles, wait for your partner and walk to the bench as a team. Even if you are a little upset with your partner for missing the last shot, never show your partner or your opponents your frustration. When approaching the post of the net, let your opponents take the inside route to the bench instead of trying to beat them there.

9-HOLER NEWS

by Diana Freund

The Nine Holers wrapped up an eventful year with a year-end scramble and luncheon. The theme was Gilligan's Island and was well planned by chairperson, **Linda Schumacher**. The girls had fun replicating the cast of characters. The group honored Marjean Lynch, Treasurer, through the terms of five different Nine Hole Presidents. Awards were presented to the following: Gilligan's Island Scramble 1st Place winners, Super Duper Star, **Becky Crowley**; Most Improved Player, **Robyn Larson**, and Participation Award, **Paula Hodges**. Congrats to all!

18-HOLER NEWS

by Nicole Smith

While the summer heat sets in, we take a break from our regular season and look back at a great year. We ended the season with our usual shotgun scramble and awards luncheon. It's a great way to finish, utilizing a fun team format and we had a special treat of a champagne toast from our president (thank you, Christina!). Congratulations to **Debby Haynes, Judy Booth, Cheryl Barger** and **Martha Ward** for their first place finish in the scramble! Throughout the year we track our best scores on each hole to see what our very best would look like. The year-end Ringer Flight winners take home their amazing scorecards and some nice prize money.

We also celebrate the players with the most participation and the most improved player. It is not shocking to see that our president, **Christina Kopolinski** won the former. With all her hard work we were happy to see her awarded the trophy. And last but not least, **Teri Zayas** was our most improved player for the year with her outstanding play throughout the season. Congratulations to all our winners and to all of the 18-holers for a great 2017/2018. Enjoy the summer break and we will see you next season!

PGA JUNIOR LEAGUE RESULTS

As the 2018 PGA Junior League season comes to a close Bay Hill stands alone in 3rd place of 7 teams in the Orlando area (trailing only the two Marriott Golf Academy teams). Arnie's Aces started the year off on the road with a big win over Bella Collina scoring 9 ½ points to Bella Collina's 2 ½. Bay Hill then hosted Country Club of Orlando, earning their second win by a score of 7 ½ to 4 ½. The team then faced a tough Marriott Golf Academy team, winding up on the short end of a 5 ½ to 2 ½ score in a rain-shortened event. Great job to all the kids this season, especially to our leader's in their last year: Sebastien Marsan, JP Hoffman, Connor & Tyler Burt.

KEEPIN' IT GREEN

by Chris Flynn

We're thrilled to announce that we have just wrapped up construction of the new **Short Game practice area**. Grassing was completed Friday, June 29th. Grow-in is expected to take at least 10 weeks giving a projected opening of September 10th. It's going to be a sight to behold!

This exciting project will enhance the Bay Hill experience for you and your guests. It was led by the Arnold Palmer Design team of Thad Layton and Brandon Johnson. The layout, at over two acres, consists of four greens, seven bunkers, and surrounding fairway and rough that will allow golfers to practice virtually any shot they can imagine within 80 yards. In addition, with the changes to #9 Charger, a new green was built along with five bunkers.

The greens were built to USGA specifications and were grassed with TifEagle – identical to the greens on the Championship course. The bunkers

were built to different depths and design styles to simulate on-course scenarios that can be found at any golf course in the world. We used this opportunity to install a number of different bunker liners to test their effectiveness. Their function is to protect sand from contamination by soil beneath and soil on the faces of bunkers. By keeping the soil in place, the sand remains clean and water moves rapidly through non-contaminated sand, reducing washouts. G-Angle was installed in all of the bunkers except one where we are testing a new sand called T-Angle.

Surrounding the greens there are few new turf-types being used. On the Championship course, tees and fairways are grassed with Celebration Bermuda which has proven to be very successful for us based on its aggressive growing habit. But since Celebration was brought to market – a number of new turf species have been developed giving superintendents more choices than ever before. Therefore we are taking this opportunity to test some of them. All

of the collars except one were grassed with TifGrand Bermuda. The other is being used to test a Zoysia variety called Trinity. The new fairway bunkers between #1 & #9 Charger have a variety called TifTuf Bermuda being used on their faces. In the following newsletter I will further explain the reasoning on why we are testing these new grasses.

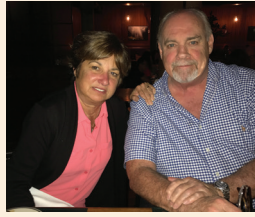

Trees were strategically added including Live Oaks (8), Slash Pines (7), and Sabal Palms (7) along with several landscape plantings and pine straw beds.

The new practice area is the latest in our ongoing commitment and promise to deliver an elite experience for our members and guests. This, along with the Driving Range and Irrigation renovations, are sure to make quite the impact.

As always, please do not hesitate to contact me or flag me down out on the course with any questions, concerns or suggestions. 'Til then – Hit 'Em Straight!
