NEWS FROM *Don*

For some the holidays are a time to gather with family and friends to reconnect. For Bay Hill Members the relationships that are built year round are meaningful and lasting.

We are blessed that the Palmers knew of the importance of relationships and built significant and meaningful bonds with others all around the world.

Just as important was the role that philanthropy played in their lives. It is my hope that during this season of parties, family and friends that we find moments to reflect on the abundance that we have, and find a way to positively impact the lives of others. I would hope that this is a holiday gift that would bring a smile to the face of our founders.

Sincerely,

Don

9-HOLER NEWS

by Megan Noland

This fall has been filled with exciting events for the 80 plus members of the Bay Hill 9-Holers, including events with spouses and friends! In September, **Susan Latorre** and **Martha Ward** organized a fabulous Nine and Stein evening event. A golf scramble came first and was followed by a delicious Octoberfest dinner, including pretzels, schnitzel, bratwurst and Sideward Beer, provided by the Ward's micro brewery. The front nine of the Championship course and the Charger were both used for this event. The winners on each course are pictured below.

This years Member-Guest event, held in October, was brilliantly organized by **Nicole Smith** and **Heather Doyle**. The theme this year was "The Marvelous Mrs. Maisel" a popular Amazon Prime program. We all enjoyed dressing in our best 1950's fashion forward attire! Thank you Nicole and Heather for hosting this event. Congratulations to this years winners **Cheryl Yager**, and guest, **Sharon Venker**, and **Julie Thompson** and guest, **Sheila Leacock**.

A big thank you to our pro, **Chris Ward** for the driving clinic held in October.... and finally congratulations to October Couples Scramble winners **Bob & Nicole Prihoda** and **Jeff & Kathy Burt**.

Member Guest Marvelous Mrs. Maisel

Charger 1st Team: Devin Pullara, Devin Jaet, Amber & Matt Vaccaro

Challenger 1st Team: Devon Crowley, Jeff Allder, Becky Crowley & Terri Fishman

18-HOLER NEWS

by Nicole Smith

What a busy fall we have had in the 18-Holers! After the hurricane scare, we were fortunate to enjoy the rest of the events planned with beautiful weather and even better course conditions. In September, we held our first Sunday Mixed Golf event with the couples of **deZavala** and **Hug** coming in first place. This then led us into the very busy October where we had Mixed Golf, a Guest Day and the coveted President's Cup.... all mixed around the Men's Member/Guest. The team at Bay Hill has to be exhausted after all of that! A big congratulations to the couples of **Zayas** and **Rex** for their "W" in the October Mixed Golf event! Later that week, our **Becky Crowley** put on a lovely Guest Day where we were met with surprises from our GM Don Emery. It was a fantastic day to roll out the red (green, yellow and white) carpet to guests from other clubs. It is always nice to showcase our special golf "home" with others, and the consensus was there was a lot of impressed guests! To end the month, we held the two-day match play President's Cup. Two-(wo)man teams battled it out for flight winners before a shoot-out commenced. The winners, **Becky Crowley** and **Linda Schumacher** survived putt offs on 16 and 18 to eventually win. Well played ladies with a big thumbs up! We aren't anywhere near finished before the holidays however, and look forward to many more events before the winter air blows in!

Sept. Mixed Golf Winners: Brian & Kim deZavala; Kellye & Mike Hug

Oct. Mixed Golf Winners: Bill & Teri Zayas; Cristie & John Rex

1st Net Winners: Cara Banks, Nicole Smith, Samantha Phillippe, Bailey Chamble

PC Champions: Becky Crowley & Linda Schumacher

PC Flt Winners Shoot Out: Flt 4 Cathy Rye/Judy Booth; Flt 3 Becky Crowley/Linda Schumacher; Flt 2 Sara Ball/Cynthia Giamalva; Flt 1 Ricki Longenecker/Pam duPont

INSIDE THE WHITE STAKES

by Brian Dorn

Sept 29: **Matt Vaccaro** recorded his first lifetime hole-in-one with his perfect 6-iron shot on the 160-yard 7th hole. Congratulations!

Nov. 15: **Dan Wadsworth** continued his stellar play with his first ever round under par (gross 71) in the shootout on Friday, November 15. His +14 in the shootout was enough for his team to barely win by 3 points

Oct 20: **Bob Prihoda** had his first ace and first albatross on the same shot when he knocked his Driver tee shot in the hole on the par-4 9th hole of the Charger during the Sunday Scramble! Remarkable!

Golf Cart Usage: We will be lifting the “cart path only” restrictions in early December, depending upon how well the rye grass is filling in. I know it seemed like this time would never come, so let’s enjoy it and do our best to use the golf carts responsibly. Please observe 90° cart rules – after teeing off drive on the paths until you reach your golf ball, you may then drive to your ball, play your shot, then proceed to the path (unless your cart partner’s ball is in close proximity to your last shot).

Fathers and Sons – be sure to sign up for the 25th Annual Christmas Eve Father-Son. Always a very popular event at the club with 120+ participants in recent years. Gentlemen – you can be the father or the son on your respective team – if you have more than one son, you can play with both.

CLUB RULE REMINDER: Due to the increased demand for starting times, the Club’s winter season guest policy takes effect on December 1:

ACCOMPANIED GUEST PLAY

December 1 – April 30: Members may have no more than one guest on Saturdays before 11:00 a.m. during the winter season and no more than three guests on all other days unless they are staying at the Bay Hill Lodge.

UNACCOMPANIED GUEST PLAY

December 1 – April 30: Members may call the Golf Shop to arrange a starting time no more than 3 days in advance for play Monday – Thursday only, **based on availability.**

Congratulations to Casper Chopra, who shot his best round for 9 holes ever with a 36 he won 3 times in the US Kids, winning the overall points race for the 2019 fall season.

Jan 21-24 PGA Merchandise Show at the Orange County Convention Center – this event draws a very large golf-seeking contingent to the area every year. This represents one of our busiest weeks of the year, with tee times often sold out every day of the week. If you have plans to play that week, please be sure to reserve your tee times 7 days in advance per our tee time policies. If you wait until the last minute to book your tee time, the likelihood of tee time availability is slim. When making a tee time, please provide names of all golfers in your party – if you will be hosting a golf professional that week, please provide that information as well. We appreciate your assistance.

Congratulations to **Adam Tiller, Bobby Valentine** and **Josh Wolfe** their recent election to membership in the PGA of America!

KEEPIN' IT GREEN

by *Chris Flynn*

The fall season brings cooler weather, begins our busy golfing season, and the annual practice of overseeding.

Overseeding - Darned if you do and darned if you don't. If there is ever (by some accounts) an unnecessary task in golf course management that is also by some accounts totally necessary, it's winter overseeding. An agronomic procedure aimed more at wooing winter play than for any meaningful enhancement of turf health.

To call it a purely cosmetic practice would be accurate, but also a little simplistic. For there is the economic viability and impact to our members/guests during the busy winter season and for the API held in March.

Beyond aesthetics, overseeding does arguably provide better turf conditions during the coldest of periods. If it is unseasonably cold or after a frost – an overseeded course is going to be more attractive and provide better playing conditions (at least in the short term).

The decision not to overseed can and will produce golfer complaints since they have been accustomed to overseeded conditions. The main factors would be the lack of lush green color; worn areas especially in high traffic areas, and slow recovery from divot damage.

The key to all of this is the weather. In a normal Central Florida winter – not overseeding will be of minimal impact. But you have to account that in one out of every three or four years we will have an unseasonably cold winter. And you must be quick to react with what the weather deals you. In this event, measures like cart restrictions would need to be quickly taken to protect the turf.

For our situation, overseeding is a must. The only way to ensure great playing conditions during the winter and for the API is to overseed. This is based on the high amount of golf rounds and the excessive use of golf carts all in a time when our bermudagrass is barely growing.

As always, please do not hesitate to contact me or flag me down out on the course with any concerns or suggestions. Till then – Hit 'Em Straight!

IN MEMORIAM

David Roderick

David Milton Roderick, 95, died Saturday, October 5, 2019. Mr. Roderick was the former chairman and CEO of U.S. Steel and a Latrobe resident, splitting time between there and Orlando, Fla., where he was a member of the Bay Hill Club for more than 20 years. He joined the Marine Corps at 17, serving as a platoon sergeant in the Pacific until 1945. Before joining U.S. Steel, he worked for Gulf Oil, the Bessemer & Lake Erie Railroad Co. and the Union Railroad Co. He joined U.S. Steel in 1959 and remained with the company until his retirement in 1989. He represented the steel industry to several U.S. presidents. The David M. Roderick Nature Reserve on Lake Erie is named in his honor, and Mr. Roderick worked with Arnold Palmer to found the Winnie Palmer Nature Reserve at Saint Vincent College. Mr. Roderick and Arnold Palmer were next-door neighbors in Latrobe; he loved to golf at every opportunity. He was an avid Pittsburgh sports fan until the end of his life. Condolences are extended to his children David M. Roderick Jr. and wife Nancy, of Ligonier, Patricia Roderick Morton and husband Thruston, of Charlotte, and Thomas K. Roderick and wife Susan, of Orlando, and their families.

M. John Anderson

Bay Hill Golf Course Superintendent 2001-2010

We were saddened to learn of the sudden passing of our friend, M. John Anderson on October 23, 2019. John provided 20 years of dedicated service to the Bay Hill Club, starting first in the position of assistant superintendent to Dwight Kummer in 1990 and then as golf course superintendent from 2001 until 2010. Upon John's retirement Arnold Palmer remarked, "John Anderson has been a valued and trusted keeper of our golf course and grounds at Bay Hill for many years and has always done a great job. I certainly consider him a good friend." Condolences are extended to his wife Joann, children Aaron and Michelle, and their families.
