## NEWS FROM *Don*

Throughout Mr. Palmer's life, one of the roles that he cherished most was that of a mentor. Business books have been written about how selflessly he gave of his time to others, so that they too could succeed. Articles tell stories of how he always had time to chat, to take photos, to inspire others no matter what their background, or job, or future career. It is in that spirit of positively impacting the lives of others that we are proud to announce two new programs at Bay Hill Club & Lodge.

The Manager in Development program is being offered to hospitality college graduates who want to pursue a career in Club Management. We are proud to have our first two MID candidates (**Kyle Johnson**, Collins College of Hospitality Management, Cal Poly Pomona, May 2018, and **Alexis Santaniello** Rosen College of Hospitality Management at University of Central Florida, December 2018) join us as they start their journey. Their program will be supervised by the Club Managers Association of America, Mary Hornbeck and myself, and involve three years of structured training. Kyle joined our team in September and already is a positive and familiar face to many, while Alexis just graduated in December and transitioned into her new role in January. We are excited that they have chosen Bay Hill and to have them as part of our team. We look forward to adding two 2019 graduates in the coming year.

I recently had the opportunity to be a part of the Disney Institute, a wonderful program of intensive learning from The Walt Disney Company. Continuous learning was another part of the Palmer legacy and that motivated me to search for new knowledge. My experience has inspired me to work with our department of Human Resources and our new Corporate Director of HR, **Kristin Raymond** to develop a new orientation and training program rooted in the history and traditions of our company, and the values of Mr. & Mrs. Palmer. The orientation program will be revamped to take a multi-media, interactive approach to all of the businesses, traditions, history, values policies and personalized job specific education under our umbrella. The on-going training program or Palmer University will take more time to develop. When completed we envision it to be a series of entry level, mid management, and executive level education modules to help move and inspire employees to push their boundaries, learn new skills, live our values and stay with our organization through a structured path of learning and advancement. These educational modules will be offered to Latrobe Country Club as well.

As always, thank you for your support and the pride that you take in Bay Hill. If you want to share your Club with friends, family and neighbors, please contact Carole Lasky at [clasky@bayhill.com](mailto:clasky@bayhill.com) for membership opportunities.

It is my hope that we can continue to listen, learn and teach in 2019 and positively impact the lives of others through sharing our values and knowledge. Join me in our quest!

Sincerely,

*Don*

## ZACH'S SPIN

by Zach Ganger

Thank you to all who came out to our December and January events! What an exciting time at Tennis. We have had amazing turnouts for all of our round robins, Junior Christmas Cup, pickleball round robins, as well as mixed doubles. We look forward to continuing to grow our social events for the year and thank you all for your support.

Special congratulations goes out to **Casper Chopra** (runner-up) and **Sam Guilfof** (champion) for their tough fought championship match during our Christmas Cup. Sam was able to stay strong and outlast Casper, but not without a fight. While the points were long and hard fought, these two showed supreme class and sportsmanship towards not only one another, but with all of the other competitors. Congratulations boys!

Grace Rosenbloom, Riley de Zavala, Coco Chopra, Emma Guilfof, Eva Bonnier, Satsuki Gomi having a blast at the Christmas Cup.

PICKLEBALL has taken over the courts! Please come out and join us every Thursday from 6:30-8:00 to play in a round robin. Please sign up on Foretees or call the Tennis Pro Shop and we hope to see you on the courts!

## DECEMBER ROUND ROBIN

*The Grinches vs Santa's Helpers*

*The Grinches Stole the show*

I would like to remind everyone, with tournament right around the corner, parking is going to be very limited at the tennis facility and would be best to carpool with one another the week before and the week of tournament. We are also down two courts beginning February 11th. We will be down these two courts until March 23rd, so please be courteous to others and allow the next group to start on time. We have arranged for our members to play

at Isleworth while our courts are down. Please be sure to call Isleworth no earlier than 24 hours in advance and see if they have any openings. Saturday mornings they have a men's round robin and courts are available after 11:00 am. Reservation times are set as 1.5 hours for doubles and 1 hour for singles. Please be sure to give them the names of all members playing so you may enter through the front gate. We are grateful that Marco (Director of Tennis) and his staff are allowing us to use their facility, so please be sure to follow their rules and thank them if you get the opportunity.

With the end of our season fast approaching, we are already looking forward to forming teams for next year. Our rosters for the fall will be posted on April 1st. If you are interested in participating on a Bay Hill Tennis Team, please contact the Tennis Pro Shop 876-8027 and our professional staff will gladly assist you with any questions.

## 9-HOLER NEWS

by Megan Noland

We have enjoyed sunny Sundays and record attendance for our monthly Couples' Scrambles. Congratulations to our recent winners: (Nov) Hilmer/Latorre; (Dec) Rex/Simmons, and (Jan) Engfer/Hilmer.

In November we hosted the "Disco Diva" Exchange, inviting players from local clubs to play at Bay Hill. Thank you to **Jan Dugan** and **Carolyn Dannen** for organizing this sell out event. Congratulations to the winning team, led by Bay Hill members **Kathy Burt** and **Vivian Hilmer**.

Our Holiday Scramble, "Peace Around The World," was beautifully organized by **Vivian Hilmer**. In the spirit of the season, the Niners raised over \$3,000 for the Women's Residential Programs at Aspire Health Partners. The money raised will be used to renovate the Group Room, used by residents for meetings, classes and family activities. Thank you all for your generosity in giving.

A December morning of golf was followed by lunch and a cookie exchange. Thank you to **Jane Imfeld** for opening up your beautiful home and for a delicious lunch.

Scramble Winners: Danielle Steenbergh, Becky Crowley, Gina Rice

2nd Team: Sara Ball, Katherine Caravello, Susan Latorre, Kellye Hug

Cookie Exchange Luncheon: Becky Crowley, Hostess Jane Imfeld, Robyn Larson, Gina Rice

## 18-HOLER NEWS

by Nicole Smith

The middle of our season has literally had a black cloud over it with rain and cold weather causing a serious damper in our game. The November Sunday Mixed Golf event was cancelled after less than 9 holes due to rain. There were five teams participating, and while we tried to camp out in the Bay Window to dry off and wait for the storm to pass, it just wasn't meant to be. Fortunately weather somewhat held out for the next major event - the coveted Arnold Palmer Cup, named for the "King" himself who still watches over us on his course. This is a hard battled two-day net event with eight places awarded prizes. In the end, however, **Pam DuPont** came forth as the first place winner reclaiming her title from last year. This was also her third time winning the event!

Before we took time off for the Christmas and New Year's break, we anticipated having our annual Holiday Scramble. Again, Mother Nature had other thoughts and rained out the event in one of the hardest rain and wind driven days of the year. Though the golf portion was cancelled, that did not stop the ladies from enjoying a lovely holiday luncheon. During the event, we were able to collect over 100 toys for the children spending Christmas in the Arnold Palmer Hospital for Children. It was a great way to end the 2018 calendar year as we prepared to ring in 2019 - which hopefully stays a little bit drier on play days!

## INSIDE THE WHITE STAKES

by Brian Dorn

**Oct 22:** Johnny Lee recorded his first lifetime hole-in-one when he aced #14 with his 148 yard 8-iron shot.

**Nov 15:** Wally Langley aced #7 Charger from 115 yards with his PW for his first lifetime hole-in-one.

**Dec 16:** Becky Crowley eagled the 3rd hole in the Couples Club Championship. Becky hit Driver/6-iron (120 yards) for her net 1.

**Dec 29:** Steve Snyder recorded his 3rd lifetime ace when his 190-yard 5-wood dropped in the hole on #2.

**Dec 29:** Tom Dennis shot a lifetime best score of 70 in the Shootout with nines of 36/34 with 4 birdies. His previous best score of 72 was also at Bay Hill.

**Dec 31:** Jeff Burt celebrated New Year's Eve with an ace on #7 (153 yards, 8-iron) and a team victory in the Shootout – what a day! It was Jeff's 2nd lifetime hole-in-one – his first was on #2.

**CARE FOR THE COURSES:** Please help us keep your golf course in its best possible condition: please repair your ball mark plus one other on every green. Sometimes you may have to check the front of the green to find your pitch mark. If the mark is not repaired immediately, it could take up to two weeks to heal. Please replace your divots or fill the divot with the sand mixture provided on your golf car. It is critical this time of year that we care for the course in this manner as these practices directly affect the course conditions for the Arnold Palmer Invitational.

Each year the PGA Tour asks us to place greater limits on the amount of play we allow leading up to the event. If we can minimize the wear and tear on the course and the regeneration time for ball marks and divots, hopefully we can eliminate the need for further play limitations.

**CART PATH RESTRICTIONS:** We appreciate your assistance as we manage golf cart traffic in an effort to minimize wear in traditionally challenging areas. We will continue to restrict cart traffic on holes 5 & 13 plus two other holes (on a rotation basis) until February 11, at which time all holes will be closed to cart traffic.

## SUMMER MAINTENANCE SCHEDULE:

- May 22: (Charger) CURFEW application and greens aerification

## MEN'S ASSOCIATION SHOOTOUT RESULTS

Congratulations to **John Michalski** for winning the 2018 Men's Association Shootout on January 5, 2019. John entered the shootout in the #7 spot on the Men's Association money list. On their third hole, #3, both

John and fellow competitor **David Williams** secured spots as finalists by relegating Don Brady to a 3rd place finish in a chip-off. After starting with all net pars on the first three holes, David had the honors to start the final hole #6 and delivered a perfect tee ball down the center of the fairway. John followed by hitting the fairway as well, but lost quite a bit of distance just missing the center of the club face. John would not miss the center on his next shot however, booming an epic 5-wood that would leave him less than 90 yards for his approach to the green. David would also position his second shot in the fairway for his approach, but set back some 40 yards of John after having a 30 yard advantage off the tee. With David first to play and the pin tucked back left of the green, he took an aggressive line – the approach shot came in just a bit longer than he had hoped and rolled through the green into the back bunker. John then smoothed a magnificent approach that landed softly in the middle of the green and tracked the pin the entire way, finishing only 12 feet behind the hole. Williams then gave his best effort to keep things interesting on the short-sided bunker attempt, but caught the shot a touch thin and sent it just over the green into the water. John then had 2 putts to secure his victory and finalized the net birdie with a tap-in 5. With the win, John collected \$400. David won \$300 finishing second, and with an honorable mention Brad McDonald took home \$200 in winnings by finishing tied for 3rd and securing the closest to the hole contest on hole #2. Congratulations to all!

## KEEPIN' IT GREEN

by Chris Flynn

With the busy golf season upon us and in preparing for the Arnold Palmer Invitational – managing the smallest of details becomes both a priority and a challenge. Golf course conditions continue to be favorable and the weather has been cooperating which should lead to another successful tournament. There are however many ways that you can assist us in our pursuit of maintaining high standards.

### BALL MARK REPAIR

As a general rule, a ball mark repaired within 10 minutes will heal with a smooth surface within two to three days. An unrepaired ball mark may take as long as three weeks to heal, but the result will be an uneven surface.

### REPLACING DIVOTS

Rules here will vary from course to course based on geography and grass types. As a general rule here, always replace the divot if possible. This way the patch of grass will quickly send down new roots. Try to replace the turf in the same direction it came out, and tap down firmly so a mower won't pull it back out. If not possible, then use the sand provided in the container on the golf car. Fill the divot hole and tamp down the sand with your foot.

### RAKING BUNKERS

Bunkers pose enough trouble themselves let alone when they are left unraked. To avoid leaving a poor playing surface, follow these tips:

- Enter/exit at the point closest to your ball (unless it's a steep slope).
- Alternate between pulling the sand toward you and pushing it away from you to make the surface even.

One item that continues to be a topic of discussion is Rake Placement. We

continue to place rakes "Tournament Style" where they are not to be in the line of play. This calls for no rakes being placed on the fairway, approach, or green side of any bunker. The drawback to this method is that by rakes only being put on the backside of the bunkers (in the rough) results in there being fewer rakes out there.

### CART TRAFFIC

- Please pair up when possible to minimize the amount of carts out there.
- Follow cart signs and other directional markers.
- Keep carts on the path at all Tee and Green complexes.
- When parking or making turns, keep all 4 tires on the path.

### COMMUNICATION

Please share any concerns or observations that you may have with myself or anyone from my team. The more eyes I have out there to identify issues the better. I appreciate all and any suggestions that results in improving the course/property and or the service we provide.

So as always, do not hesitate to contact me or flag me down out on the course to share your thoughts.

'Til then – Hit 'Em Straight!

Arnold Palmer's Bay Hill Club & Lodge has been selected as one of the Top 50 Golf Clubs of America 2019-2020 by the Platinum Clubs® of America. Often compared to Michelin ratings, Platinum Club recognition is the most respected award in the private club industry with only the top 4% of private clubs receiving platinum status. The Platinum Clubs of America vote takes place every other year and is conducted through a nationwide vote of 4,400 Club Managers and Presidents or Owners of the finest Private Clubs in the nation. There are seven criteria for a Club to be considered for selection as a Platinum Clubs of America ranking:

- Universal Recognition
- Excellence in Amenities and Facilities
- Caliber of Staff and Professional Service Levels
- Quality of Membership
- Governance & Prudent Fiscal Management
- Adapting to Changing Times
- Overall Experience

*Congratulations to the Bay Hill team for achieving this recognition.*

# Golf Tip

By: Tom Garner

At the Arnold Palmer Golf Academy, we are always looking for ways to help our students improve their scores. A key component in learning to score better is to be able to consistently drive the ball in the fairway off the tee. There are always some critical tee shots that you have to hit on the course. Some holes are very narrow in the landing area, and there is trouble looming on one or both sides.

The good news is that you can make some small adjustments to better execute these shots when you really need to hit a good drive.

(Three) Keys at address to assist you on those tight holes would be to:

1. Tee the ball a little lower
2. Choke down on the club
3. Stand a little closer to the ball

During the swing, take a slightly more controlled swing and swing the club keeping your head steady. In Mr. Palmer's book, "Play Great Golf" Mr. Palmer states, "The most common fault I see among amateurs trying to pound the ball is their head movement". He states further, "If you're having trouble keeping your drives on the fairway, chances are you're suffering from head movement."

Good drivers of the ball generally have a good tempo and are able to maintain their balance during and after the shot. Keeping your head steady will help this process. A good rule of thumb is to swing at about 70% of your full power.

These adjustments will help you achieve a little more control off the tee. You will likely find that a fade ball flight will be the result, so plan for it. There is an old saying that "You can talk to a fade, but a hook won't listen!"

Next time you are out of the course, try these suggestions and you will be hitting the fairway more often.

## ARNOLD PALMER INVITATIONAL NOTES:

In our preparations for the Arnold Palmer Invitational, we will be limiting play during the month of February. With the following restrictions in place, demand for tee times will likely outpace supply, so please plan accordingly and take full advantage the 7-day advance tee time policy:

Monday, February 11 – Wednesday, February 27: Play will be limited to no more than 120 players (Feb 11- Feb 17) and 100 players (February 18-27), with the 1st tee closing at approximately 2:00 pm. As available tee times are reduced, it is necessary to curb the amount of guest play in order to provide course availability for members who wish to play. As such, the following restrictions on guest play will be instituted from February 18 – February 27:

**February 18 – February 26:** Maximum 1 guest per member

**February 23:** No guest play prior to 11:00am

**February 27:** No guests permitted

### "CART PATH ONLY" RESTRICTIONS IN EFFECT FEB 11 – FEB 27.

Charger Course: Holes 1 & 9 will be close at Noon on February 5 (#8 will be converted to a par 3); the remaining holes will be available for play through February 24 unless circumstances dictate otherwise. The Charger is projected to reopen for play on April 2.

**"API Tent Sale":** Don't miss our annual clearance sale on **Thursday, February 28 (9:00 a.m. – 11:00 a.m.)** in our main merchandise tent located next to the Golf Shop. This sale is open to members only – store credit and member charge will be the only forms of payment accepted.

**Wednesday, March 13:** Challenger/Champion reopens at Noon – double tee start

**Area Golf Course "Specials" – February 28 – March 12:** Arrangements have been made at local courses for our members to receive special accommodations during the week of the Arnold Palmer Invitational. Most of the courses will require our golf professional staff to arrange the tee times on your behalf. Please call the golf shop for a list of participating facilities.

**Club Storage and Locker Cleaning:** In order to accommodate the PGA Tour players during the week of the API, we ask that all male members with lockers please clean out your locker by 6:00 p.m., February 27. Members with club storage – if you will need your clubs March 3-12, please pick up your clubs by 6:00 p.m. March 2.
