NEWS FROM

Don

Summer is a great time to be a part of the Arnold Palmer group. So many new and exciting things are occurring along with the return of many Member favorites. I encourage you to read your weekly e-blast as well as look to our annual calendar and bi-monthly newsletter as great sources of information and reference to what is happening. Don't miss out on the fun.

Allow me to highlight some fun "can't miss" activities coming up soon – our Summer Kick-off Party at the pool on June 1, Trivia Night on June 19, Burgers and Bluegrass on June 23, Family Bingo Night on July 17 and another wonderful Supper Club event on July 27.

A reminder that a great benefit of Membership is the ability to escape the Florida summer heat to join us in western Pennsylvania at Latrobe Country Club. I will be spending the month of July in Latrobe and hope to see many Bay Hill Members at the Latrobe Country Club as well. No greens fees, great food, warm hospitality, a fantastic pool and so much more. Come and join me at Latrobe. Another wonderful benefit is our exclusive Members Only rate on Lodge rooms at Bay Hill. Call our reservations line at 1-888-422-9445 for more details. The Lodge is a convenient way to introduce family and friends to Bay Hill. If you know of someone interested in Membership, please reach out to Carole Lasky at clasky@bayhill.com.

I can't believe that last month marked my one year anniversary at Bay Hill. The progress at the Club would not be possible without the support and encouragement of the Saunders, the professionalism and hard work of our great staff, and the fantastic support of the Members. So many positive steps have been taken, but as Mr. Palmer famously said, "The road to success is always under construction". We can't wait to see what the future holds and hope that you join us for the journey, not only this summer, but in the years to come.

Sincerely,

Don

Donald P. Emery, CCM, CCE
 President/General Manager

A reminder of Dress Code

Mr. & Mrs. Palmer were known for many wonderful traits and being properly attired and looking their best was always in style. Please remember that hats are not permitted in the Clubhouse, shirts must be tucked in (for gentlemen), jeans are permitted but must be clean and not torn or ripped and shorts must be of an appropriate length (for men and women). For the Holidays we would also like you, your families and guests to dress up for the occasion with smart looking country club attire. We know that not only that is what the Palmers' would want but also what our rules dictate. Thank you for your cooperation.

ZACH'S SPIN

by Zach Ganger

We had an exciting April and May at Tennis! I would like to start out by saying thank you to everyone who was able to come out and watch Doug and I play Isleworth. We had an amazing match and we were able to outlast the Isleworth guys in a straight set victory! Thank you for all of the support, helpful hints, one liners, and heckling during our fun and entertaining exhibition.

Our end of the year round robin and banquet was a blast and again, thank you to everyone that participated! The lunch was spectacular, as was the on court play. We will continue with this event at the end of our season next year!

What an amazing Member-Guest event! I am thrilled with the participation we had in our Member-Guest event. Thank you to all who joined and thank you for being patient in the change of dates due to weather. It was an absolute pleasure watching everyone compete while encouraging and laughing with one another. Congratulations to our Wimbledon Flight winners Kathleen Hansen and Patty Monserez. They were

able to take the title home after defeating Carolyn Rotermund and Mary Bradley in the finals. In the U.S. Open Flight, Julie Zimmerman and Claudia Lang defeating Carole Hingtgen and Kim Costello in their epic championship match. We will be having a Member-Member for both the men and women in November, so mark your calendars!

We also had a special surprise this season with our A Team captain, Kim Petitt, receiving the Sportsmanship Award for the A League! Kim was nominated by other WAIT League participants for her outstanding sportsmanship across the season. Congratulations Kim for representing yourself, your family, your team, and your club with class!

Summer is here! I hope everyone had a great spring and has some free time to spend with the family this summer. With the heat already here, please remember to stay hydrated! Begin the hydration process the night before any outdoor activity. Even if you are not thirsty, it is important to keep replenishing your body with water. Please be safe this summer in the heat and take care of your body by staying properly hydrated.

Junior Camps will be held from 9:00 am to 2:00 pm. We will be working on a variety of strokes, strategies, games, and match play. All levels are welcome. Please be sure to bring sunscreen, water bottles, tennis shoes, bathing suite, and a racket. Snacks and lunch are included.

18-HOLER NEWS

by Nicole Smith

It may be Spring, but it's feeling hot on the golf course between the weather and the tough competition we experienced the last couple of months! We are fortunate to have the largest ladies groups at a private club in Central Florida. Whether someone wants to play 9 or 18, we have them covered. Our two groups merged for the 18/9 Holer Shotgun which was won by the fun group of **Janet Thompson**, **Christie Rex**, **Kellye Hug** and **Setsi Day**. This was followed up by the annual two-day Member/Guest - always a well thought out event which allows us to showcase our club to our friends while playing some competitive golf. New to us this year was having the beautiful short game facility to host an evening challenge while sipping on cocktails and eating passed hors d'oeuvres. Talk about impressive! We didn't have long to rest before it was time for the grueling two-day Club Championship where we find out who the best of the best is. This year it went to the reigning champion **Susie Keane**, who we all know worked hard for it and definitely deserves it! Finally we had the Mixed Member/Guest event where we bring out the husbands for a couples event to remember. The set-up honoring Mr. Palmer was such a touching way to follow-up the Arnie's Experience we had during the tournament this year. A big thank you to all of the staff at the club who worked tirelessly for all of these events and all that comes with them. You blow us away each and every time!

INSIDE THE WHITE STAKES

by Brian Dorn

Feb 4: **Joe Andriole** used Driver and 4-iron shots on #5 Charger (Green tees) for his first ever albatross (double-eagle).

March 28: **Kathy Shepperly** eagled #16 when her Driver and 26° Hybrid shots left her with only a 5 ft putt.

March 30: **Teri Zayas** aced #2 Charger from 73 yards for her first lifetime hole-in-one. Teri was using a brand new set of Callaway irons - it was her very first swing taken with the 9-iron. The only bad news to report is that she used her hole-in-one ball on the tee shot for the 3rd hole.....Teri no longer has the ball as a souvenir.

March 31: **Brent Jordan** aced the 6th hole at Lake Nona while playing in the Griffon Cup. Brent's 9-iron shot at the 157-yard hole was his first lifetime hole-in-one.

April 17: **Roy Arnason** holed out from the fairway twice in the same round! Roy's 108-yard pitching wedge shot on #9 was good for a birdie and his 128-yard 9-iron on #15 earned him his first ever eagle.

April 18: **Palmer Haynes** recorded his first lifetime hole-in-one on the hole #15 of the Streamsong Black course. Palmer used a 58° wedge on the 78-yard hole. 13 year old Palmer becomes the first member of his immediate family to get an ace.

May 4-5: **Palmer Haynes** won the Junior Division (18 & under) of the Winter Park Amateur with a 2-day total of 73 (9 holes per day). Finishing a very close 2nd with a score of 74 was our very own Cooper Jensen.

Golf Tip

By: Tom Garner

DRIVING ON DIFFICULT HOLES

At the Arnold Palmer Golf Academy, we are always looking for ways to help our students improve their scores. A key component in learning to score better is to be able to consistently drive the ball in the fairway off the tee. There are always some critical tee shots that you have to hit on the course. Some holes are very narrow in the landing area, and there is trouble looming on one or both sides.

The good news is that you can make some small adjustments to better execute these shots when you really need to hit a good drive.

(3) Keys at address to assist you on those tight holes would be to:

1. Tee the ball a little lower
2. Choke down on the club
3. Stand a little closer to the ball

During the swing, take a slightly more controlled swing and swing the club keeping your head steady. In Mr. Palmer's book, "Play Great Golf" Mr. Palmer states, "The most common fault I see among amateurs trying to pound the ball is their head movement". He states further, "If you're having trouble keeping your drives on the fairway, chances are you're suffering from head movement."

Good drivers of the ball generally have a good tempo and are able to maintain their balance during and after the shot. Keeping your head steady will help this process. A good rule of thumb is to swing at about 70% of your full power.

These adjustments will help you achieve a little more control off the tee. You will likely find that a fade ball flight will be the result, so plan for it. There is an old saying that "You can talk to a fade, but a hook won't listen!"

Next time you are out of the course, try these suggestions and you will be hitting the fairway more often.

(Source: "Play Great Golf" by Arnold Palmer)

Congratulations to this year's Mullet Masters winner **Derek Rachelli**. Derek won on the first playoff hole to beat **Nate Bullock** on Saturday, April 13. Derek recorded scores of 69-30.5=99.5 beating Nate Bullock 69-30.5=99.5 and **Bob Prihoda** 78-28.5=106.5. The 27-hole event was played on the Challenger/Champion in the morning and finished the day with a 9 hole shootout on the Charger.
