NEWS FROM *Don*

ARNIE'S INNOVATION LIVES ON AT BAY HILL

Mr. Palmer was one of the great innovators of his time. He had a knack for tinkering with layouts, features and amenities at his properties with a goal of providing an unmatched experience for members and guests. Something folks would say "wow" about when they saw the difference. He had "shops" where he would tinker with building golf clubs, changing grips and changing club weights. In business he created new marketplaces for businesses where none were. Perfection was constantly being pursued.

Today that legacy lives on at Bay Hill. Our team is working hard to complete a number of spectacular innovations this year. Our new practice facility will feature a re-imagined driving range as well as a new short game area to hone your chipping, short iron and sand game. There is a new irrigation system being installed to improve the club's environmental footprint and efficiency while ensuring optimal playing conditions year round.

In the coming months we will continue to focus on the improvement and evolution of our food and beverage operation. We are in the process of bringing on new leadership and personnel who will help us reinvent our already great offerings. Our new menus thoughtfully designed by our culinary team seek to balance our member's health and wellness with Palmer family favorites, and allow us to take advantage of the variety of seasonal offerings found only in Florida. We're also redeveloping our member programming. The club will continue to offer new events and activities that every age group will be sure to enjoy such as Family Campfire Night, as well as more interactive events such as Pub Trivia Night, Holiday Cocktail Making and additional Ladies' Lunch & Learn DIY opportunities.

Our staff continues our strategic planning process that will set the club up for success for many years to come. We're putting together a plan that will take us through 2025, and I'm excited about the positive spirit shown by the team as we look and change for the future.

Bay Hill is acutely aware of the wants and needs of the current as well as the next generation of its membership. To that end, we're focused on constantly improving. At the same time, we need to honor the traditions and core values that have set us apart - our commitments to community, family and philanthropy. Because, after all, that's the Palmer way.

TODD'S TIP OF THE MONTH

Body language can say a lot about a person and a team on the court. Whether you are winning or losing, maintaining a positive attitude and communicating with your partner is important. By staying positive, you are showing the other team you and your partner are going to work together to fight through the tough games.

As soon as a player starts to get upset and stops talking with their partner or showing negative body language, the opposing team is given a slight advantage and will likely continue to capitalize on what got you upset in the first place. Do not give your opponents the satisfaction of watching you and your partner implode.

Work together and encourage one another to stay tough and battle through the circumstances. Stay calm, cool and collected.

We hope to see you on the courts and Happy Hitting!

ZACH'S SPIN

by Zach Ganger

What a fun start to the beginning of our season!

We have had some close matches and have come out on top of a few, as well as fell just a little short of a few. That's what makes the sport fun and exciting! Learning to figure out what works best on a given day, defending against an aggressive net team, or closing out a set when up 5-4, or having to change your game style to fight your way back into a match. We have been working hard and despite the heat, everyone has held their own. We are so proud of all of our teams for grinding through the start of the season and we look forward to watching everyone progress as the season moves forward. Below is a list of our home matches in October. We would love to have everyone come out and support our Bay Hill tennis teams. Match play begins at 9:30 am.

Wednesday 3rd B2 vs Grand Cypress

Friday 5th Classic vs Winter Park Racquet Club

Tuesday 9th C+ vs Country Club of Orlando

Wednesday 10th B2 vs Red Bug

Friday 12th Classic vs Red Bug

Wednesday 17th A1 vs Sanlando

Tuesday 23rd C+ vs Lake Cane

Wednesday 24th A1 vs Isleworth

Friday 26th Classic vs Lake Mary

UPCOMING SOCIALS

There is a small change in the calendar for October. Mixed Doubles and Kid's Night Out will be switching days. So now, Kid's night out will be the first Friday and Mixed Doubles will be the 2nd Friday.

Kid's Night Out will be from 5:00 – 8:00 pm on **Friday, October 5th**. We will have a variety of games for the kids to play, pizza, and drinks. The cost for this event is \$25+ per child (includes pizza and drinks) and space is limited to the first 30 kids.

The following **Friday, October 12th**, we will be having **Mixed Doubles** from 6:00 – 8:00 pm. We will have a bar by signature, along with some lite snacks. **October 18th, Pickleball** is the name of the game. Come out and give this fast growing sport a try. We will be having a bar by signature and lite snacks for this fun filled evening on the pickleball courts.

To register for any of the events or for more information, please contact the Tennis Pro Shop or you may register on ForeTees.

9-HOLER NEWS

by Megan Noland

This year's Season Kick-Off Coffee was a wonderful opportunity to reconnect friends and served as our first chance to welcome our 14 new members and 5 rejoining members.

President **Cindy Blackburn**, along with the Board of Directors and Committee Chairs, worked over the summer putting together what promises to be a fun-filled year of events. Our first event was the Kick-Off Scramble held on September 4th. Beautifully organized by event chair, **Vivian Hilmer**, this year's theme was Favorite Sports Teams. Congratulations to all of the winners who are listed and pictured below. Start planning now for "Give My Regards to Broadway", our member-guest event scheduled for October 23rd. Chairs **Cristie Rex** and **Linda Pizzolato** are staging an award winning production!

Pictured below are many of our new members along with their "Big Sisters." The Big Sister/Little Sister program pairs new 9-Holers with existing 9-Hole members to ensure new players feel welcome and connected. Thank you Carol Lytle for chairing our Big/Little Sister program this season, and special thanks to all those who have volunteered to make the Bay Hill 9-Holers a success.

Officers and Chairwoman greeting members: Carol Lytle, Marjean Lynch, Ede Nault, Vivian Hilmer, Becky Crowley

ACC Teams: Nancy Beasley, Cheryl Yager, Linda Schumacher, Kim DeZavala, Teri Zayas

1st Team: Paula Hodges, Sara Ball, Barb Lloyd, Katherine Caravello

2nd Team: Lisa Baxter, Devin Jaet, Nicole Smith, Joan Hutton

Big/Little Sister Pairs: Kim DeZavala/Kathy Burt; Julie Zimmerman/Jane Infeld; Sue McDonald/Susan Latorre; Heather Doyle/Becky Crowley; Barb Lloyd/Paula Hodges; Katherine Caravello; Devin Jaet/Lisa Baxter; Paula Stull/Cheryl Barger; Becky Simmons/ Robyn Larson

It's that time of year again, and we couldn't be more excited. Reuniting with friends and meeting new ones is THE BEST part of the kick off to our season. Before we get to that, however, we have to mention the success of the ladies who fought hard in the heat all summer long. Our SWOGL team brought home the "W" again, and we couldn't be more proud. Also working hard year round are our BHWGA Officers. We are thankful to have the same team in place to keep us going and ensure every "i" is dotted and every "t" is crossed before the events can begin. Just one week after the kick-off coffee, the season officially began with our first event - the opening shotgun. Congratulations to **Paula Weber, Pam duPont, Barb Lloyd, and Bobbie Elbert** for their first place win. Looking forward to yet another fun season filled with friends, laughter, and a few birdies!

Grand Opening: Short Game Practice Area and Driving Range – October 5

Join us Friday, October 5, 3:00-5:00pm for the grand opening of the Short Game Practice Area and the Driving Range. We will have instructional clinics, contests and refreshments as we unveil the new facilities.

Callaway Wedge Clinics featuring Roger Cleveland – October 12

Sam Saunders and Roger Cleveland, Callaway's wedge designer, will be conducting two short game clinics at 9:00 am & 1:00 pm. Each session will be limited to 12 participants. Roger's name is synonymous with wedges as his Cleveland 588 wedge has been one of the most popular designs of all time. Please call the Golf Shop to sign up, (407) 876-8030.

Titleist Vokey Wedge Fitting Experience – October 18-20

John Habegger, the east coast Titleist Vokey fitting specialist will be at the club for 3 days, conducting private fittings on Oct. 18 & 20 and two clinics on Oct. 19. Fittings will be conducted during the clinics for those interested in taking advantage of John's expertise. Please call the Golf Shop to sign up, (407) 876-8030.

EZ-Go RXV Golf Car Fleet Turnover – November 7:

Our annual golf car fleet turnover is scheduled for November 7. As in past years, EZ-Go is allowing our members the opportunity to purchase

the one year-old golf cars off our lease – this year's price will be \$4,650 + tax for the standard fleet cars. The deluxe cars (only 3 available at \$4,950 + tax) have already been reserved and there is currently a wait list. If you are interested in purchasing one of the standard fleet vehicles, please contact me by phone (407-876-8030) or email (bdorn@bayhill.com) by October 15th.

Private Golf Car Usage: Please remember that private golf car usage on the golf course is only permitted for members registered for Trail Fees. This program is available to resident members for a fee of \$2,400 and to non-resident members only for a fee of \$1,440. Only those members on the Trail Fee program with a current valid registration tag are able to use a golf car on the Challenger/Champion or Charger golf course. All other vehicles must be parked in the parking lot or left with our staff at the golf car staging area. For more details on the Trail Fee program, please contact our Golf Professional staff.

November Overseeding: We will oversee all areas of the Challenger/Champion course except for the greens on November 6-7 (Challenger) & 8-9 (Champion). The Charger course will not be overseeded. The overseeded nine will be closed the days of the procedure, however, we will still have 18 holes of golf available each day. Following this procedure we expect to be under "cart path only" restrictions until approximately December 4.

Junior Club Championship: Sign your juniors up now for this event on Sunday, October 7. We will have 9 & 18 hole divisions (based on age). No entry fee. We will have snacks and refreshments following the event.

SHORT GAME AREA RULES AND RECOMMENDATIONS FOR USE

1. The short game practice area is a “no golf car zone”. Please park your golf car in the parking areas provided along the paths.
2. Please leave the practice area in the condition you find it.
 - Pick up practice balls and return to the nearest bag stand
 - Repair ball marks on the greens
 - Fill divots with sand bottles provided
 - Rake (smooth) bunkers
 - Enter/exit bunkers from the low side
3. We are providing premium practice balls (Callaway Chrome Soft Truvis) for your enjoyment – these balls are for use only on the short game practice area. If you choose to use these balls, please pick them up with the provided shag tubes and return to the nearest bag stand. You have the option of using your own golf balls as well.
4. Be safe by being aware of all other people using the short game practice area:
 - their position relative to your intended shot path
 - your position relative to their intended shot path
 - never aim towards others
5. Please note the graphic below for the proper divot pattern. A linear divot pattern leaving a line of turf in between the divots will regenerate much faster than the other methods. This same divot pattern should be applied to the Driving Range as well.

CARE FOR THE COURSE

With October upon us the prime golf season has arrived. As rounds played increase, the wear and tear on the golf course can become very evident if each player does not care for the course. The following actions will help keep the course in great shape as well as providing all players throughout the day the same course conditions:

- Please fill your divots with the sand provided on your golf cars – when you empty your sand bottle, you can pick up a full bottle from the bins provided at the bathrooms on #7 and #13 greens and the halfway house.
- Please repair your ball marks on the greens plus at least one additional ball mark. Most players fail to realize their ball mark will be well short of where their ball comes to rest – please make the effort to walk towards the front of the green to find your mark.
- Please rake (smooth) the bunkers after playing your shot. Please be sure to smooth all foot prints as well.
- Please pair up on golf cars. We play 35,000+ rounds of golf on the Challenger/ Champion course – when we ride solo we are subjecting the course to unnecessary stress, basically the equivalent of an additional round. Approximately 8,400 rounds were played by our private car members, most of whom chose to ride solo – please consider the impact this can have on course conditions and invite another golfer to ride with you. We will require all players to pair up on club-issued golf cars.
- Please follow directional signs on the golf course. These signs are strategically placed to steer cart traffic away from wet or well-worn areas which are susceptible to damage.

Golf Tip

By: Matthew Chen, PGA, TPI Certified

COMPENSATING FOR LIMITED MOBILITY

A core principle of the Titleist Performance Institute (TPI) philosophy is that *“there is not one perfect swing, but a perfect swing to match your physical capabilities.”* Every athlete has physical limitations. In golf, we can address the limitations with corrective exercise and/or we can build a swing around those limitations. Improving both the physical and technical aspect of golf will elevate your capabilities and reduce the risk of injury. One of the most prevalent problems with golfers is hip mobility; we will use this as our example.

PHYSICAL:

The body works in an alternating pattern of stable segments connected by mobile joints. If this pattern is altered, dysfunction and compensation will occur.

Limited hip rotation is likely caused by a weak lower back and knees/hamstrings. If you are looking for more power in your swing we must look at supporting those stable parts. Try these stretches before you hit golf balls, and even off the course at home.

1: Supported Stork Turns
(use golf club)

2. Standing Straight
Hip Turns

TECHNICAL:

With limited hip mobility, the tendency is to slide or sway to compensate for lack of rotation. At set-up position, I recommend turning both feet open about 20 degrees, forming a V, heels in toes out (this will reduce the effect of hip rotation limitation).

In addition to this new set up position, a drill that can be done is placing both feet together (heels touching) and form the same V shape. Swing with about 50% power. This drill will imitate the hip rotation feeling you want on your normal full swing. Having your feet together will prevent you from swaying or sliding as you will lose balance.

For any inquiries about physical or technical golf screening, please ask the golf shop for further information.
