## NEWS FROM *Our Membership Director*

Mr. and Mrs. Palmer valued the relationships and friendships that they built and cultivated over a lifetime. The staff and Club have a strong relationship with all the Members, whose loyal support and active participation in club life help to make Bay Hill a special place.

On a personal note, it has been my honor and privilege to serve you as your Membership Director for 24 years, this November. I had the distinct pleasure of learning from Mr. and Mrs. Palmer what true hospitality meant: caring for people, exceeding their expectations, showing kindness and never forgetting to say "Thank You".

As our way of saying "thank you" we are excited to introduce a Member Appreciation Day to be held on November 1, 2019 (see page 9). Please join us as we have some special activities planned, along with a few surprises, throughout the day for all members to enjoy!

In appreciation,

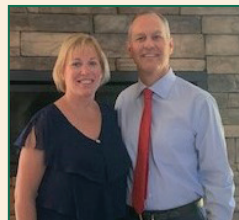

*Carole*  
Carole Lasky, CMP  
Membership Director

*We appreciate all of Carole's work and how she connects us to the traditions and values of the Palmers.*

## ZACH'S SPIN

by Zach Ganger

2019 C-Team

### What an exciting start to our season!

We came out of the gates in full swing the last week of August and have been rolling on. Despite the extreme heat and humidity, you have stayed tough and fought through the elements. It is exciting to watch everyone compete and grow as tennis players. We look forward to all of our upcoming matches and encourage you to come support our Bay Hill Teams. If you have some spare, even just a few minutes, please stop by the tennis facility to watch the following home matches beginning at 9:30:

October 2nd	A v. Heathrow
October 4th	Classic vs Winter Park
October 8th	C vs Lake Cane
October 11th	Classic vs Red Bug
October 15th	C vs Waterford
October 16th	B vs Rio Pinar
October 23rd	A vs Red Bug
October 25th	Classic vs Lake Mary
October 30th	B vs Red Bug
November 1st	Classic vs OTC
November 5th	C vs Sanlando
November 13th	B vs Grand cypress
November 19th	C vs Lake Highland
November 20th	B vs Interlachen
November 22nd	Classic vs Tusawilla

If you have not been over to tennis lately, there have been a lot of upgrades! Our outdoor speakers under the pavilion have been a hit along with the fans and lighting. Thanks to the greens department for the flower pots and flowers. The tennis parking lot got a makeover with a new curb and new seal coat, but the main attraction is our amazing plexicushion hard courts. The new hard courts have a rubber coating underneath the surface in order the help relieve your body from the pounding on the pavement. As stated by the company, "Plexicushion System combines the bounce, sure footing, and outstanding durability of Plexipave with innovative shock-absorbing properties of EPDM rubber cushioning. The result is a surface that dynamically responds to body impact and reduces fatigue on the legs, ankles, and feet." We are extremely fortunate to have these "cushion" courts and are one of just a select few in the central Florida area to have them at our facility. I hope you enjoy the hard courts as much as we do!

Lisa Peele and Brenda Gissy  
with US Open Grey Goose

Thank you to all who were able to attend our Friday Night US Open Exhibition. We had an unbelievable turnout and are truly grateful for your support. The energy was electric, the one liner's witty, the food was spectacular and the beverages just the way you like them. Congratulations to **Lisa Peele** and **Brenda Gissy** for taking home one of their own US Open special edition Grey Goose Vodka.

## 9-HOLER NEWS

by Megan Noland

And just like that, our steamy summer has come to an end and it's time to get back to golf! The Kick-Off Coffee, held August 27th, was a time to reunite with old friends, make new ones and sign up for upcoming events. It was a lovely morning complete with food, friends, and shopping! We are thrilled at the number of returning and new 9-Holers for the 2019-2020 season.

President **Becky Crowley**, the Board of Directors, and Committee Chairwoman have put together a calendar filled with new and exciting events. Hurricane Dorian caused our first event to be rescheduled. Our Opening Scramble was held September 10th. The theme "Go For The Green" was brilliantly organized by Terri Fishman. Thank you Terri for planning the perfect opening event. Congratulations to the winning team of **Beth Dettmer, Teri Zayas, Christie Rex and Jane Imfeld**.

Welcome back everyone! Hope your season is filled with fun, friends and birdies!

## 18-HOLER NEWS

by Nicole Smith

The ladies of the 2019/2020 BHWGA started things right with the much awaited Kick Off Coffee just before Labor Day weekend. This is always such a lovely event put on by the Club, and I know I speak for all of us when I say it is a wonderful way to catch up on summer happenings while enjoying delicious food and (new this year!) a rosé tasting! A big thank you to our officers **Christina, Paula, and Bobbie**, along with our pro **Bobby** for manning the table to welcome us all back and give us our beloved book.

Just because we were off for the season doesn't mean golf came to a complete halt. The ladies of SWOGL represented well this summer and brought home the winning trophy. We appreciate having these ladies showcase what Bay Hill is made of even in the hot, hot weather. Another side of summer weather is hurricane season and unfortunately Hurricane Dorian caused us to need to delay the first scramble of the year. Stay tuned for fun pics when we get to resume play and officially kick-off our new season. Welcome back ladies!

## INSIDE THE WHITE STAKES

by Brian Dorn

**EZ-Go RXV Golf Car Fleet Turnover – November 6:** Our annual golf car fleet turnover is scheduled for November 6. As in past years, EZ-Go is allowing our members the opportunity to purchase the one year-old golf cars off our lease – this year’s price will be \$4,800 + tax for the standard fleet cars. The deluxe cars (only 3 available @ \$5,100 + tax) have already been reserved and there is currently a wait list. If you are interested in purchasing one of the standard fleet vehicles, please contact me by phone (407-876-8030) or email (bdorn@bayhill.com) by October 15 at the latest.

### Private Golf Car Usage:

Please remember that private golf car usage on the golf course is only permitted for members registered for Trail Fees. This program is available to resident members for a fee of \$2,400 and to non-resident members only for a fee of \$1,440. Only those members on the Trail Fee program with a current valid registration tag are able to use a golf car

on the Challenger/Champion or Charger golf course. All other vehicles must be parked in the parking lot or left with our staff at the golf car staging area. For more details on the Trail Fee program, please contact our Golf Professional staff.

### November Overseeding:

We will oversee all areas of the Challenger/Champion course except for the greens on November 5-6 (Challenger) & 7-8 (Champion). The Charger course will not be overseeded. The overseeded nine will be closed the days of the procedure; however, we will still have 18 holes of golf available each day. Following this procedure we expect to be under “cart path only” restrictions until approximately December 4.

**Junior Club Championship:** Sign your juniors up now for this event on Sunday, October 6. We will have 9 & 18 hole divisions (based on age). No entry fee. We will have snacks and refreshments following the event.

### UPCOMING GOLF EVENTS:

Oct 6	Junior Club Championship
Oct 7	Outside Event (8:30 am shotgun)
Oct 12	Fall Four-Ball (9:00 am shotgun)
Oct 13	Mixed Golf (1:30 am shotgun)
Oct 14	Outside Event (8:30 am shotgun)
Oct 15	9-Holers Member-Guest (9:30 am shotgun)
Oct 17	BHWGA Guest Day (8:30 am shotgun)
Oct 20	9-Hole Sunday Scramble (3:00 pm – Charger)
Oct 23-26	Men’s Member-Guest
Oct 30-31	BHWGA President’s Cup
Nov 3	Mixed Golf (1:00 pm shotgun)
Nov 5-8	Golf Course Overseeding
Nov 10	Sunday Scramble (2:00 pm – Charger)
Nov 13	9 Hole Invitational (9:30 am – Charger)

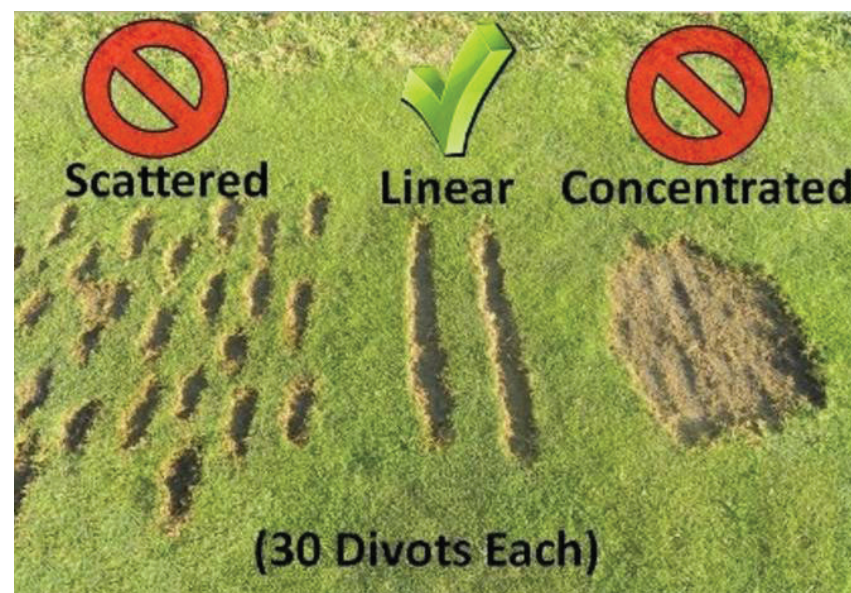

## SHORT GAME AREA RULES AND RECOMMENDATIONS FOR USE

- The short game practice area is a “no golf car zone”. Please park your golf car in the parking areas provided along the paths.
- Please leave the practice area in the condition you find it.
  - Pick up practice balls and return to the nearest bag stand
  - Repair ball marks on the greens
  - Fill divots with sand bottles provided
  - Rake (smooth) bunkers
  - Enter/exit bunkers from the low side
- We are providing premium practice balls for your enjoyment – these balls are for use only on the short game practice area. If you choose to use these balls, please pick them up with the provided shag tubes and return to the nearest bag stand. You have the option of using your own golf balls as well.
- Be safe by being aware of all other people using the short game practice area:
  - their position relative to your intended shot path
  - your position relative to their intended shot path
  - never aim towards others
- Please note the graphic below for the proper divot pattern. A linear divot pattern leaving a line of turf in between the divots will regenerate much faster than the other methods. This same divot pattern should be applied to the Driving Range as well.

## CARE FOR THE COURSE

With October upon us the prime golf season has arrived. As rounds played increase, the wear and tear on the golf course can become very evident if each player does not care for the course. The following actions will help keep the course in great shape as well as providing all players throughout the day the same course conditions:

- Please fill your divots with the sand provided on your golf cars – when you empty your sand bottle, you can pick up a full bottle from the bins provided at the bathrooms on #7 and #13 greens and the halfway house.
- Please repair your ball marks on the greens plus at least one additional ball mark. Most players fail to realize their ball mark will be well short of where their ball comes to rest – please make the effort to walk towards the front of the green to find your mark.
- Please rake (smooth) the bunkers after playing your shot. Please be sure to smooth all foot prints as well.
- Please pair up on golf cars. We play 35,000+ rounds of golf on the Challenger/Champion course – when we ride solo we are subjecting the course to unnecessary stress, basically the equivalent of an additional round. Approximately 8,400 rounds were played by our private car members, most of whom chose to ride solo – please consider the impact this can have on course conditions and invite another golfer to ride with you. We will require all players to pair up on club-issued golf cars.
- Please follow directional signs on the golf course. These signs are strategically placed to steer cart traffic away from wet or well-worn areas which are susceptible to damage.

## GOLF TIP: COURSE MANAGEMENT

By: John O'Leary III

When you go out to play do you have a plan in mind for how you want to play the golf course? Do you go into a business meeting without a plan?

To formulate an effective strategy you need to know how far you hit your clubs. Not the one in ten shot that travels fifteen yards further than all of the others. You need to realistically know how far an average hit travels. Pay attention to the distances the flags are from you when you practice on the driving range. This will be a big help when you play. Your task is to find out what your comfortable yardages are for each club.

With this information the next time you play I want you to try something. For all clubs longer than a 7 iron aim for and play at the middle of the green for distance and direction. Pay no attention to the hole location. When you have a 7 iron or less aim between the center of the green and the hole location.

As we know there was only one Arnold Palmer. We cannot always go for broke.

If you have any questions please email me at [joleary@bayhill.com](mailto:joleary@bayhill.com) or give me a call at 407-876-8008.
